The property is located at 102 Los Alamos Highway. ***(Tabled during 7.28.09 Meeting by then-Mayor Pro-Tem Alice Lucero pending staff assistance to register building as historic and seek out funding for repairs)***

Mayor Pro-Tem Salazar exited at 6:35pm.

Planning and Zoning Director Russell Naranjo stated that an appeal had been filed by Ms. Rebecca Garcia requesting the demolition of the structure at 102 Los Alamos Highway.

Mayor Pro-Tem Salazar reentered at 6:36pm.

Planning and Zoning Director Naranjo explained that since this issue had been discussed during the course of the July 8, 2009 City Council meeting, his staff has spoken with Harvey Kaplan, an architect from the State Historical Society. Mr. Kaplan reviewed digital pictures sent to his office and expressed his belief that the City should do anything and everything possible to preserve this building within the historic district. He stated that the building dated back to 1904 and was bungalow-style, which is extremely rare. Planning and Zoning Director Naranjo stated that this building was the only one of its kind in Española. He stated that it was constructed by adobe which made it more special. He added that, in accordance with the comprehensive plan, the city shall support restoration. Planning and Zoning Director Naranjo explained that there was not many historic buildings as owners had not approached the state to place them on the state register. He stated that this building was almost guaranteed to be placed on the register.

Planning and Zoning Director Naranjo stated that the applicant was in attendance and explained that the City Council was being asked to uphold the decision of the Planning and Zoning Commission or overrule the Commission and allow the demolition. Mayor Lucero stated that she had moved to table this item when she was Mayor Pro-tem.

Mayor Lucero opened the Public Hearing at 6:42pm.

Mr. Daniel Montoya stated that he was representing a Trust Company from Taos who managed the trust that held the property. He stated that Ms. Garcia had been the trustee since her parents passed away. Mr. Montoya commented that the building was in a very bad state with no funds to improve it and the only real solution was to demolish it. He stated he also believed the building may be unsafe due to severe water damage.

Mayor Lucero asked if there were any other members of the public who wished to comment.

Mayor Lucero closed the Public Hearing at 6:45pm.

Motion by Councilor Valdez to approve the appeal thereby reversing the denial of the Planning and Zoning Commission; seconded by Councilor Seeds.

Councilor Valdez stated that the building was as beautiful as the Bond House. However, the Bond House had been maintained because of \$1.5 million of Federal, State, and Local government monies. He stated that Ms. Garcia could not afford that and neither could the City.

Councilor Radosevich asked what the cost of restoration would be. Mr. Montoya stated that they never looked into it because it was in such a bad state. Ms. Garcia stated that it would be in the hundreds of thousands.

Councilor Ortega asked how long it had been on the market. Ms. Garcia replied that they would be making it one property after the demolition. Councilor Ortega stated that it was beautiful building and he wished he or the City had money to buy it but he understood Ms. Garcia's predicament.
